available as book or CD

CPO STUDY GUIDE

Used to prepare for entry-level paraoptometric certification, the CPO Study guide (in either CD or book form) covers many of the topics on the CPO certification exam. It is also great as a training tool for new paraoptometric staff. Topics include:

- ▶ practice management
- ▶ refractive status
- ▶ ophthalmic dispensing
- ▶ surgery
- ▶ anatomy of the eye
- ▶ ophthalmic prescription
- ▶ contact lenses
- ▶ basic pharmacology
- ▶ eye exams
- ▶ ophthalmic lenses
- ▶ common eye disorders

AOA Paraoptometric Section Member Price:	CD \$45	Book \$50
AOA Member OD Price:	CD \$50	Book \$55
Non-Member Price:	CD \$70	Book \$75

CPO STUDY FLASH CARDS

One hundred questions developed to help you test your knowledge and offer additional study resources for the first certification examination, Certified Paraoptometric (CPO). Questions are different from those found in the CPO Study Guide but cover the same topic areas listed above to assist exam preparation. Start testing your knowledge today!

Certified Paraoptometric Assistant (CPOA) & Certified Paraoptometric Technician (CPOT) – suggested materials

Self-Study Course
Item Number PS1

SELF-STUDY COURSE FOR PARAOPTOMETRIC ASSISTANTS AND TECHNICIANS

REVISED 2008 Third Edition

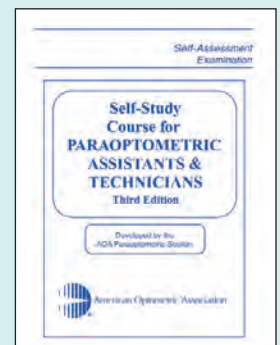

This course helps prepare the certified paraoptometric to sit for the certified paraoptometric assistant (CPOA) or certified paraoptometric technician (CPOT) exam. The course contains 19 chapters, each of which comes in booklet form. Each individual booklet contains review questions to evaluate knowledge comprehension and retention. *Formerly titled Self-Study Course for Paraoptometric Certification.*

AOA Paraoptometric Section Member Price:	\$95
AOA Member OD Price:	\$115
Non-Member Price:	\$155

SELF-ASSESSMENT EXAM

This self-examination is a great way for paraoptometrics to assess their knowledge base in preparation for sitting for the CPOA and CPOT examinations. It includes 350 multiple-choice questions on information covered in the *Self-Study Course for Paraoptometric Assistants and Technicians*. After completion, the exam may be mailed to the Paraoptometric Section office for grading. If 249 or more questions are answered correctly, the candidate will receive 12 hours of continuing education credit and a certificate of achievement. This is truly a great resource for training or study.
