### What is the Sports Vision Section (SVS)?

The SVS is a nationally recognized segment of the American Optometric Association (AOA).

### Who are members of SVS?

Eye care professionals and optometry students who are dedicated to furthering their understanding in the fields of optometric sports vision care and education, eye injury prevention and research, and athletic vision enhancement.

### What can SVS do for you?

By joining the SVS, we serve you, our member, by providing:

- \* Timely clinical education, through our bi-monthly e-newsletter. With our talented board of contributing editors, the newsletter delivers the latest information on vision enhancing testing and technology, clinical management and practice management for you and your patients
- \* Representation with state and national government agencies such as the FDA and FTC.
- \* A national referral network, which you can use as a reference to refer and receive patients with other practitioners in sports vision field.
