The Accreditation Council on Optometric Education has awarded the professional optometric degree programs below one of the following accreditation classifications:

**Accredited**: a classification granted to a program that generally meets the standards for accreditation.

**Accredited with Conditions**: A classification granted to a program with major deficiencies or weaknesses with reference to the standards of accreditation. This classification indicates that the educational effectiveness of the program is in jeopardy. *Currently, there are no programs Accredited with Conditions.*

The ACOE posts on its website information associated with its Accreditation Actions and Decisions, including reason(s) and program comments, if any.
