AOA EYELEARN: MOBILE APP LOGIN USER GUIDE

Welcome to EyeLearn: The AOA's Professional Development Hub!

AOA's member-exclusive centralized education portal, EyeLearn offers an expanding online catalog of educational modules, webinars and other resources to help advance clinical proficiencies, the practice of contemporary optometry and practice management for doctors of optometry, future doctors of optometry and paraoptometric staff. In an effort to support professional development for the field of optometry, select courses may be available to all individuals in the profession.

The AOA EyeLearn: Mobile App is the AOA Education Center's next step in providing educational and professional development content to optometric professionals who are on the go and need flexibility in their busy schedules.
