Know Before You Go

Here are some very important details that you need in order to access the 2021 Virtual Learning Livecast platform and maximize your experience in your courses.

EVENT DETAILS
Reminder that all time listings are in **CENTRAL TIME** (CT)
- Friday courses will be between 6 p.m. – 10 p.m. CT
- Saturday courses will be between 8 a.m. – 5 p.m. CT

HOW TO ACCESS THE PLATFORM

1. **How to Get Started**
   - Upon receiving an invitation from ‘AOAVirtualLearnLive2021@aoa.org’ email (subject: 2021 Virtual Learning Livecast Information), please follow the link to edit your profile.
   - The ‘Claim your account’ screen will be pre-populated; please make any changes necessary and agree to Terms & Conditions.
   - You will be directed to a profile screen where you can upload a photo, add your bio and any additional contact information.
   - Press the orange SAVE button, and you are all set!

2. **How to Use Pathable**
   As an attendee in Pathable, you will have the opportunity to attend sessions, interact through polls and ask speakers questions during the sessions through the chat feature. To get around the platform, use the navigation bar at the top right (Home, Schedule, People, etc).

   **Home:** This button will always bring you back to the main screen.

   **Schedule:** Under the schedule tab, press My Agenda to browse your current schedule. To enter a live meeting, simply click on the agenda tile and select “Click Here to Confirm.”

   Under schedule, you will also find the Course Grid. You may review all additional sessions that will occur during these two days. If you are interested in adding additional sessions to your agenda, please contact educationcenter@aoa.org prior to October 1st.

   **People:** From within the People tab, you can browse through the attendee list by clicking Attendee. You may also browse the speaker list by clicking on Speaker. Click on any attendee or speaker profile to learn more.
3. **How to Watch Sessions**

We've made it easy! On the virtual platform, **most of your lectures are embedded into the website**, meaning you will stay within the platform session to watch the session live. Once you have selected your session, a countdown clock will appear. Once the clock runs out, the live session will begin and will appear directly on that page. No need to click anywhere else—it’s that easy!

**Please note**, you need to give the session about 10 seconds to appear or simply click refresh as there is always a slight delay from the speaker to the attendee. You will find that agenda items with the label “**Practice Success Panel**” will require you to have the Zoom app downloaded. The additional session within the “Practice Success Panel” track called “Networking” will launch the Zoom app outside of the Pathable platform, in which you will be able to talk, see, and interact with other attendees.

**Important**: You can learn how to View the Agenda Details by clicking on [Tour of Agenda Details Page](#).

To ensure that you have an optimal conference experience, we highly recommend you have the Zoom app downloaded on your computer. [If you need help downloading the Zoom app please click here.](#)

**Questions?**

- Content/AOA Specific – please contact – [educationcenter@aoa.org](mailto:educationcenter@aoa.org)
- Any Technical Assistance – please contact - [support@pathable.com](mailto:support@pathable.com)

**For Support Anytime During the Event**

Should you run into any challenges at any point during the event, please click on the ‘Technical Support’ button on the Home Page or click on the ‘Need Help? Get Support’ link at the top of the page.

**HOW TO CLAIM CREDIT**

When you are ready to claim credit for a course, navigate to Schedule > My Agenda.
Then click on the course you are wanting to claim credit for.

Then click on the Credit Claiming Link.

An Interactive Review of Ocular Systemic Syndromes

Roya Attar
UNIVERSITY OF MISSISSIPPI MEDICAL CENTER
Assistant Professor

Mohammad Rafieetary, OD, FAAO
Charles Retina Institute
Consultative Optometrist

6:00 PM - 8:00 PM CDT on Friday, October 1
Add to Calendar
CEU Credit: 2

Optometrist often detect ocular abnormalities that are the sequel of certain systemic disease or part of concurrent finding of certain syndromes. Some of these conditions may not only have potential visual consequences, but may also have life altering complications. This interactive lecture will list a few key features of a condition or a syndrome, and let the audience pick the name of the condition form a list. After instantaneous results are tabulated, a brief discussion or case of the specific disorder follows.
Once you press the credit claiming link, you will be re-directed to the credit claiming platform. The first time you access the credit claiming platform, you will be prompted to update your information, including your license number and OE Tracker number (You will only have to complete this step once). Click Save when complete.

**Please note that AOA can only submit credit to OE Tracker for those who provide an OE Tracker number**
You will now be prompted to enter the Authorization Code given at the conclusion of the course.

Once you enter the Authorization Code you will be prompted to verify the course.

Once you confirm the course you will be taken to a brief course survey.
Once the survey is complete, you will be taken to a listing of your claimed credits. From here you can download handouts (if applicable), print your CE Certificate/Transcript, and claim credit for additional completed CE.

**TIPS:**
- Wait until you have completed all your registered CE before printing or emailing your CEU certificate.
- You will not be able to claim credit for a course you were not registered for.
- Credit reporting to OE Tracker will be completed by AOA in the weeks following the event.
- AOA will remove claimed credit for any course that you did not meet the minimum attendance requirement for (50 minutes for a one-hour course or 100 minutes for a two-hour course).

If you have any problems utilizing the credit claiming platform please contact educationcenter@aoa.org
HANDOUTS

From your My CEU page, click on the name of the session you want to get handouts for.

This will bring up the details of the course. If handouts were included for the course, they will be listed here.

The Eyes are the Window to the Soul

Dr. Mile Brujic, Doctor of Optometry Speaker
Premier Vision Group
Premier Vision Group
BOWLING GREEN, OH
United States - Contact Me
Mile Brujic, OD, FAAO is a 2002 graduate of the New England College of Optometry. He is a partner of Premier Vision Group, a successful three location optometric practice in Northwest Ohio. He practices full scope optometry with an emphasis on ocular disease management of the anterior segment and specialty contact lenses. He is active at all levels of organized optometry. Dr. Brujic is on the editorial board for a number of optometric publications. He has published over 350 articles and has given over 1600 lectures, both nationally and internationally on contemporary topics in eye care.

Fri, 06/25/2021: 2:00 PM - 4:00 PM
PARA-Course
Colorado Convention Center
Room Name: Mile High Ballroom 4D, Mile High Ballroom 4E, Mile High Ballroom 4F
Credits: 2
CEU Code: AP-0012-21
Handout

Description
The eyes are simply a part of the body. As such, many systemic conditions can affect the eyes. It is critical for the paraoptometric to understand the most common conditions that can affect the eyes and what ocular manifestations are. This course will empower the paraoptometric with a better understanding of how the eyes truly can tell much about systemic health.

Objective
1. Understand retinal and anterior segment anatomy that can be influenced by systemic health
2. Discuss diabetes and the effects on the eye
3. Understand hypertension and consequences to ocular health
4. Discuss hypercholesterolemia and the effects on the vasculature of the eyes
5. Understand rheumatoid arthritis and its effects to the ocular surface
PRINTING CE CERTIFICATE/TRANSCRIPT

From the My CEU page, click on Print CEU Certificate.
