

AOA associate members have free and unlimited access to a wealth of courses in EyeLearn.

What's new in education?

AOA associate members have free and unlimited access to a wealth of courses in [EyeLearn](#) with new courses being added quarterly. Are you planning to take a paraoptometric exam soon? Be sure to check out the review courses to help prepare you for the CPO, CPOA and CPOT exams. These courses are available in [EyeLearn](#) and can also be purchased in the [AOA Marketplace](#).

More good news for 2022

The Para Speaker Series will continue with new topics and webinars throughout the year!

2022 Coding Update! CPT and ICD-10 Code Changes You Need to Know

Register today to attend this coding update webinar being held Dec.16, at 9 p.m. ET. Paraoptometrics (including those who hold a CPOC certification) can earn 1 hour of CPC-approved continuing education to use toward their next certification renewal.

AOA associate membership is free—are you enrolled?

Paraoptometrics who are employed by an AOA-member doctor of optometry are eligible to be enrolled by their employer for a free associate membership. Members have access to a multitude of resources, including continuing education and professional development courses, practice resources, product and meeting registration discounts, and much more! Get yours today!

Volunteers needed to serve on CPC

The CPC is seeking paraoptometrics who are interested in serving a 3-year term on the commission. If you are interested in this opportunity, contact CPC@aoa.org for more information. Applications must be submitted to the CPC by Jan. 15, 2022. The next term begins July 1, 2022.

Paraoptometric examinations in 2022

Applications are being accepted for the 2022 paraoptometric examinations. The 2022 [examination schedule](#) and candidate handbook are available now. All exam candidates are required to read the handbook prior to submitting an application.

Congratulations to all the paraoptometrics who passed an examination in November!

Earn CE in 2022 through volunteerism!

The CPC is accepting [volunteer interest forms](#) for the Continuing Education Review Committee and the Item-Writing Committee. Training will be provided to those who join the item-writing committee. Volunteering is a great way to add to your skill set, meet new people and collaborate with your peers. Complete your [volunteer interest form](#) today.

2022 paraoptometric award nominations—coming soon

It's not too early to start thinking about the 2022 annual [paraoptometric awards](#)! Check out the [rules here](#). Nominations for the AOA Paraoptometric of the Year and Paraoptometric Community Service Awards will open early in 2022.
