

AOA EyeLearn – Paraoptometric Staff Training

Watch any of the approved EyeLearn webinars (live or self-paced) in their entirety, as a team, to earn Commission on Paraoptometric Certification (CPC) credit(s) or AOA CE Hour(s).

Approved Courses: Any course located in EyeLearn under the “*Paraoptometric*” catalog or “*Para Speaker Series*” catalog that is approved for CPC credit(s) or AOA CE Hour(s).

Note: Courses for credit will have the credit type and amount included in the course title. It will also be provided on the course under “*Course Details.*”

Requirements:

- The requesting doctor of optometry must be a current member of the AOA.
- All staff taking the training must be enrolled under the doctor’s membership as AOA associate members.
 - o **Note:** This is part of the doctor’s member benefits.
- For self-paced webinars, each paraoptometric staff member must take and pass the assessment in their own individual EyeLearn account.
- For live webinars each paraoptometrics attendance will be manually recorded following the conclusion of the event.
 - o **Note:** This can take up to 72 business hours.
- The required form is to be submitted to and approved by the AOA Education Center prior to the group training taking place. This can be done by completely filling out the request form and emailing it to educationcenter@aoa.org.
