A. Mark "Low Vision and Rehabilitative Vision" as a special emphasis on your AOA Profile.

*Please note: Optometry students may not be able to change their special emphasis on their profile; however, students should still complete the survey in **step B** to join.*

1. Using your AOA credentials to log into "[My Profile](https://www.aoa.org/SSO/Login)" (<https://www.aoa.org/SSO/Login>)

5. Select "Low Vision and Rehabilitative Vision"

The screenshot shows the 'MyAOA' interface for 'Find a Doctor Info'. On the left is a navigation menu with options like 'Contact Info', 'Business and Find a Doctor Info', 'Manage Staff', 'Account Settings', 'Committees', 'Member Directory', 'View Find a Doctor listing', 'Membership Materials', and 'AOA on Capitol Hill'. The main content area has tabs for 'My Bio', 'My Photo', 'Languages', and 'Special Emphases'. Under 'Special Emphases', there is a list of medical specialties with checkboxes. The 'Low Vision and Rehabilitative Vision' checkbox is selected and circled in red. Other specialties include Cataract Peri-Operative Care, Children's Vision (Ages 12-18 years), Children's Vision (Ages 3-5 years), Children's Vision (Ages 6-11 years), Children's Vision (Ages Birth - 3 years), Cornea/Dry Eye Management, Diabetes Care and Surgical Retina Peri-Op Care, Geriatric Optometry, Glaucoma, Industrial Vision, LASIK Peri-Operative Care, Lids and Lashes, Neurological, Primary Care/General Optometry, Retina, Specialty Contact Lenses, Sports Vision, and Traumatic Brain Injury. An 'UPDATE' button is located at the bottom of the list.

6. Select "Update" near the bottom of the screen

This screenshot is identical to the previous one, showing the 'MyAOA' interface for 'Find a Doctor Info'. In this view, the 'UPDATE' button at the bottom of the 'Special Emphases' list is circled in red.

B. Complete the VRAN survey by visiting www.aoa.org/VR and clicking on the "Join the Vision Rehab Advocacy Network"
