

## PARAOPTOMETRIC NEWS YOU CAN USE!

### AOA MORE and MIPS Updates as of August 15, 2019

- ✓ Did your practice submit **2018 MIPS program year data**? If so, review performance feedback on the [Quality Payment Program \(QPP\)](#) website now! If there was an error in your MIPS score calculation, you can request a [Targeted Review](#) until Sept. 30, 2019.
  
- ✓ **EHR Vendor Status for 2019**
  - **Crystal Practice Management – 2019 data is available on your AOA MORE dashboard!** Track your progress on quality measures by clicking the “View Cases” button at the bottom of the measure description box and see which patients are meeting the numerator/denominator criteria. Use the [Crystal PM tutorial](#) if you have question on how to correctly document the measure within your EHR.
  - **ExamWRITER – The 2019 AOA MORE integration is complete!** [Click here](#) for information on how to purchase the installation package and begin sending 2019 data into AOA MORE. Sign up with ExamWRITER by September 13, 2019 to ensure 2019 participation.
  - **Practice Director – 2019 data will be available in early September.** Watch your email box for notification that your AOA MORE dashboard has been updated with 2019 data.
  - **EyefinityEHR – The 2019 AOA MORE integration is scheduled for completion in early September.** [Click here](#) for information on how to purchase the installation package and begin sending data into AOA MORE.
  - **MaximEyes – First Insight continues testing and 2019 data should be available in September.** Watch your email box for notification that your AOA MORE dashboard has been updated with 2019 data.
  - **Compulink – Compulink continues testing.** We do not yet have a timeline for 2019 integration.
  - **Revolution – Will not be integrating with AOA MORE for the 2019 program year.**
  
- ✓ Is your practice considering **Opting-In** to 2019 MIPS reporting? Click [here](#) to learn more.
  
- ✓ Even if your EHR is not integrated with AOA MORE, you can still participate and earn credit for completing QCDR (Quality Clinical Data Registry) related **Improvement Activities**. Click [here](#) to learn more.
  
- ✓ **Promoting Interoperability** for 2019. The measures have changed, so get the latest information on page 5 of [AOA’s 2019 MIPS Guidebook](#) or visit the [Quality Payment Program \(QPP\) Promoting Interoperability](#) site.
  
- ✓ Questions? Contact [AOA MORE](#) and **MIPS Support** by calling 314.983.4270 or emailing [QualityImprovement@aoa.org](mailto:QualityImprovement@aoa.org).
