2020 NOA LEGISLATIVE CONFERENCE

8:30 am - 1:30 pm
February 4
Scottish Rite Ballroom
332 Centennial Mall South

WHY IT’S IMPORTANT FOR YOU TO ATTEND
Policymakers determine what care you’re allowed to provide to patients. They set many of the parameters and ground rules for how you can participate in the health care delivery system and how patients are able to access your services. Regulation of your competitors, in order to assure you can practice on a level playing field, depends on public policy.

And making an impact on public policy requires a collective effort and personal relationships. Nebraska Optometry’s annual legislative conference is an important opportunity to meet with state senators, reinforce relationships, and understand the issues and implications for optometry. The more doctors that attend, the bigger impression we make, and the more important our issues seem to legislators. More attendees means optometry can be more effective in influencing public policy.

CONFERENCE FEATURES
The morning program will feature:
• Presentations by Nebraska legislators, with their perspectives on health care policy and laws in Nebraska;
• Updates on current Nebraska legislative issues with talking points you can use to discuss them with state senators and patients;
• Reminders, reinforcement and tips for effectively communicating our profession’s interest;
• Ideas from colleagues on how to build and enhance personal relationships with lawmakers.

The conference concludes with our luncheon honoring state senators. It’s a key opportunity for members to visit personally and informally with lawmakers.

CONFERENCE LOCATION
The Scottish Rite Ballroom is located on Centennial Mall, just a block north of the State Capitol.
Registration Form  Early Registration Deadline: January 24, 2020

Registration Name______________________________________________________________________________
