BYLAWS OF THE
AMERICAN OPTOMETRIC ASSOCIATION

ARTICLE I
MEMBERSHIP

Section 1. Classification and Qualifications

No person who is a member of the American Optometric Association as of June 25, 2005, or who joins an affiliate of the American Optometric Association on or after June 25, 2005, shall be allowed to be a member of the affiliate but not the American Optometric Association. Members of the American Optometric Association shall be classified as follows:

A. Affiliate Membership Qualifications. No person who is a member of the American Optometric Association (the "Association") as of June 25, 2005, or who joins an affiliate of the Association on or after June 25, 2005, shall be allowed to be a member of the affiliate but not the Association. Additionally, except as expressly provided otherwise in these Bylaws, all Affiliate Members of the Association must:

1. Be an "optometrist," which shall mean an individual who has earned a Doctor of Optometry degree from a school or college that has been accredited or pre-accredited by the Accreditation Council on Optometric Education or by an accrediting body that the Board of Trustees, in its sole discretion, determines to be equivalent;
2. Be a member in good standing of one of the following:
   (a) the affiliated association where the member resides;
   (b) the affiliated association where the member has his or her principal place of optometric-related employment;
   (c) the affiliated association of the state where the school or college of optometry is located, provided that the Affiliate Member qualifies as an Optometric Educator Member at that school or college;
   (d) the Armed Forces Optometric Society ("AFOS"), provided that the Affiliate Member is (i) on active duty or retired from service in the armed services of the United States, the Commissioned Corps of the United States Public Health Service; or (ii) a full-time, part-time, or retired employee of the U.S. Department of Veterans Affairs or other federal governmental entity;
   (e) the American Optometric Student Association provided that the Affiliate Member qualifies as a Student Member; or
   (f) the American Optometric Student Association or any affiliated association provided that the Affiliate Member qualifies as a Post-Graduate Member; and
3. Pay all dues required for the Affiliate Member pursuant to these bylaws so that such dues are timely received by this Association.

B. Membership Rights. All members shall have full membership rights as set forth in these Bylaws, except that Retired Members electing not to pay dues, Honorary Members, Associate Members, and Provisional Members shall not be eligible to be elected or appointed as officers, trustees, or delegates of this Association.

C. Affiliate Membership Classifications. Members of the American Optometric Association shall be classified as follows:

1. Active Members. An optometrist meeting the qualifications set forth in Article I, Section 1, Paragraph A shall be eligible for classification as an Active Member of this Association.
2. Partial Practice Members. An optometrist meeting the qualifications set forth in Article I, Section 1, Paragraph A who works sixteen hours or less per week in compensated, optometrically related activities shall be eligible for classification as a Partial Practice Member of this Association. A Partial Practice Member may affiliate through AFOS provided that the member meets the requirements under Article I, Section 1, Paragraph A.2(d).
3. Federal Services Members. An optometrist meeting the qualifications set forth in Article I, Section 1, Paragraph A.2(d) shall be eligible for classification as a Federal Services Member of this Association.
4. Optometric Educator Members. An optometrist meeting the qualifications set forth in Article I, Section 1, Paragraph A who is a full-time educator primarily engaged in school related activities such as teaching, research and administration at a school or college in the United States, accredited or pre-accredited by the Accreditation Council on Optometric Education, and who is directly compensated by such school or college shall be eligible for classification as an Optometric Educator Member of this Association.

Such optometric educator members are permitted to engage in the practice of optometry for no more than 16 (sixteen) hours per week.
5. Distinguished Members. An optometrist meeting the qualifications set forth in Article I, Section 1, Paragraph A shall automatically be classified as a Distinguished Member on January 1 the year following completion of a term of office of president of this Association.
6. Student Members. A student of optometry in a program at a school or college accredited or pre-accredited by the Accreditation Council on Optometric Education who is (a) a member in good standing of the affiliated association for such students and (b) of another affiliated association (provided, however, the requirement in (b) shall not apply to students attending a program outside of the fifty United States and the District of Columbia) shall be eligible for classification as a Student Member of this Association. Student Members shall meet all the qualifications set forth in Article I, Section 1.A, except that a Student Member is not required to be an "optometrist" as defined in Article I, Section 1, Paragraph A.1. Membership classification as a Student Member shall immediately cease and convert to the appropriate Affiliate Membership Classification (Active Member, Federal Services Member, Optometric Educator Member or Post-Graduate Member) when an individual receives the degree of Doctor of Optometry. This automatic change in member classification shall not be counted for purposes of applying Article I, Section 3, Paragraph C, which limits changes in member classification to one per year.
7. Post-Graduate Members. An optometrist meeting the qualifications set forth in Article I, Section 1, Paragraph A who is a resident or intern in a program accredited or pre-accredited by the Accreditation Council on Optometric Education or by an accrediting body that the Board of Trustees, in its sole discretion, determines to be equivalent and/or full-time enrolee in a graduate program shall be eligible for classification as a Post-Graduate Member of this Association. Membership classification as a Post-Graduate Member may continue until the end of the calendar year in which an eligible Post-Graduate Member has completed the qualifying program.
8. Retired Members. An optometrist meeting the qualifications set forth in Article I, Section 1, Paragraph A who is at least 55 years old on January 1 of any membership year and who no longer receives compensation for optometrically related activities shall be eligible for classification as a Retired Member of this Association. A Retired Member may affiliate through AFOS provided that the member meets the requirements under Article I, Section 1, Paragraph A.2(d).
Individuals eligible for classification as a Retired Member have the option to pay dues as set forth in Article I, Section 2, Paragraph C.8. Retired Members electing to pay dues (known as Retired Members with Membership Benefits) will receive membership benefits and will be entitled to membership rights as set forth in these Bylaws. Notwithstanding any provision to the contrary, Retired Members electing not to pay annual dues (known as Retired Members without Membership Benefits) will be members of this Association in name only, ineligible for membership benefits and rights, and will not be counted among the members used to determine delegates for affiliated associations under Article III, Section 3, Paragraph A.

9. Life Members. An optometrist meeting the qualifications set forth in Article I, Section 1, Paragraph A who has been a member of this Association for 45 years shall be eligible to continue membership as a Life Member of this Association in accordance with rules and regulations adopted by the Board of Trustees. In addition, when an affiliate designates an affiliate member as a life member of the affiliate, and the member is also a member of this Association, then this Association may also designate that member as a Life Member of this Association. Classification as a Life Member shall become effective upon approval by the Secretary-Treasurer or his or her designee. A Life Member may affiliate through his or her affiliate if the member meets the requirements under Article I, Section 1, Paragraph A.2.(d). Notwithstanding the requirements set forth in this Paragraph, any member of this Association who is classified as a Life Member as of September 30, 2012, shall retain Life Member status.

Members who provide medical certification of terminal or other serious debilitating illness may request that years of membership requirements be waived for life membership. All such requests for waiver must be made and approved through the member’s affiliate and approved by the Board of Trustees or the Secretary-Treasurer as the Board’s designee.

10. Honorary Members. An individual who has rendered outstanding service to the profession of optometry may be eligible for membership in this Association as an Honorary Member. Honorary Members shall be excused from the requirements that they be an “optometrist” as defined by Article I, Section 1, Paragraph A.1. Written nomination for membership as an Honorary Member shall be made by an affiliated association to the Board of Trustees, which shall submit the nomination to the House of Delegates with a recommendation for approval or disapproval. Membership under this subparagraph shall become effective upon approval by the House of Delegates.

D. Associate Membership Classifications and Qualifications. Individuals meeting the qualifications of this Paragraph may apply directly to this Association for membership as an Associate Member. Such membership shall become effective upon approval by the Board of Trustees, the Secretary-Treasurer or his or her designee, and may continue as long as the individual continues to satisfy the qualifications of subparagraphs 1, 2 and 3 of this section below. Membership is dependent upon the Associate Member paying all dues required for the Associate Member pursuant to these bylaws so that such dues are timely received by this Association. The following individuals shall be eligible for membership in this Association in one of the following classifications of Associate Members:

1. International Members. An optometrist as defined by the World Council of Optometry who resides in a foreign country or in a commonwealth, territory or possession of the United States where there is no affiliated association shall be eligible for membership as an International Member of this Association.

2. Paraoptometric Members. A paraoptometric who is and continues to be sponsored by an optometrist who is a member of this Association shall be a Paraoptometric Member of this Association.

3. Public Members. An individual who is not an optometrist but has a substantial interest in the profession of optometry and contributes to the advancement of the interests of this Association may be eligible for membership as a Public Member of this Association. The affiliated association in the state of the applicant’s principal place of business or residence shall be given 30 days notice to object to any application prior to the granting of Public Member status by this Association.

E. Provisional Membership Classification and Qualifications. An individual meeting the requirements of Article I, Section 1A, Paragraph 1 and this paragraph, who contacts the American Optometric Association seeking membership, and who completes an application and pays the applicable dues, may be immediately granted membership in the Provisional membership classification. The Provisional Member’s application shall be submitted to the appropriate affiliated association for action by that affiliate. The affiliated association shall promptly notify AOA when they have taken action on any Provisional Member’s application. If the application is approved by the affiliate, the Provisional Member shall cease to be classified as a Provisional Member and will immediately become an Affiliate Member in the appropriate classification. If the application is not approved by the affiliated association, the Provisional membership will immediately expire. If AOA does not receive notice of an affiliated association’s action within one hundred-twenty (120) days from submission of the Provisional Member’s application to the affiliate, the Provisional Member will immediately become an Affiliate Member.

Section 2. Dues

A. The Board of Trustees may increase the annual dues in any one year in an amount not to exceed five percent (5%) of the previous year’s annual dues, and the Board of Trustees shall report to the House of Delegates the amount of the increase. A special dues assessment of $85 per year shall additionally be imposed each year commencing in 2009, with such special dues assessment funds dedicated to funding the costs and expenses of the Association related to running a public relations and public affairs campaign, and such assessment shall terminate the year next succeeding the year the public relations and public affairs campaign terminates.

B. Payment of Dues. Dues are assessed on an annual basis but may be remitted on a quarterly basis. Dues paid quarterly shall be attributed equally and proportionally among the four quarters beginning with the first quarter of the year, which ends March 31, and progressing chronologically to the last quarter of the year, which ends December 31.

Each quarter shall contain three (3) deadlines, a Due Date, a Delinquent Date, and a Termination Date. Quarterly dues shall be paid according to the following schedule of deadlines:

1. First Quarter Dues:
   (a) the Due Date shall be March 31;
   (b) the Delinquent Date shall be April 30; and
   (c) the Termination Date shall be May 31.

2. Second Quarter Dues:
   (a) the Due Date shall be June 30;
   (b) the Delinquent Date shall be July 31; and
   (c) the Termination Date shall be August 31.

3. Third Quarter Dues:
   (a) the Due Date shall be September 30;
   (b) the Delinquent Date shall be October 31; and
   (c) the Termination Date shall be November 30.

4. Fourth Quarter Dues:
   (a) the Due Date shall be December 31;
   (b) the Delinquent Date shall be January 31; and
   (c) the Termination Date shall be the last day of February.
Any preceding quarterly dues deadline that falls on a weekend or federal holiday shall be extended to the following Business Day. For purposes of these Bylaws, "Business Day" shall mean any Monday, Tuesday, Wednesday, Thursday, or Friday that is not a federal holiday.

Membership shall be terminated at the discretion of the AOA Secretary-Treasurer for any member whose dues for a quarter have not been received in full by this Association by that quarter’s Termination Date following notification to the affiliate’s official office within ten business days.

C. Affiliate Member Dues. Annual dues for Affiliate Members Classifications shall be as follows:
1. Active Members shall pay 100% of annual dues.
2. Partial Practice Members shall pay 60% of annual dues.
3. Federal Service Members shall pay 100% of annual dues.
4. Optometric Educator Members shall pay 50% of annual dues.
5. Distinguished Members shall not be required to pay annual dues to this Association.
6. Student Members shall pay $8.00 as annual dues for this Association.
7. Post-Graduate Members shall pay $55.00 as annual dues for this Association.
8. Retired Members must pay annual dues of $100.00 to be eligible for membership benefits and rights as set forth in these Bylaws and to be counted among the members used to determine delegates for affiliated associations under Article III, Section 3, Paragraph A.
9. Life Members shall not be required to pay annual dues to this Association.
10. Honorary Members shall not be required to pay annual dues to this Association.

D. Associate Member Dues. Annual dues for Associate Member Classifications shall be as follows:
1. International Members shall pay dues as determined by the Board of Trustees based upon data from the World Bank regarding the country where the member resides.
2. Paraoptometric Members shall pay $2.00 as annual dues for this Association.
3. Public Members shall pay dues as determined by the Board of Trustees.

E. Provisional Member Dues. Annual dues for the Provisional Member classification shall be as follows:
1. Each affiliated association will provide AOA with a list of its membership categories mapped to the Affiliate Membership Classification as defined in Article I, Section C, and that affiliated association’s annual dues for each category not later than December 1, 2015 and thereafter on an ongoing basis at least thirty (30) days prior to the effective date of any dues change.
2. Provisional Members shall pay 100% of the combined annual dues of the affiliated association and AOA, with proration, for the affiliated association membership classification as determined by AOA’s reasonable interpretation of the information supplied on the applicant’s application.
3. Dues collected by AOA from any Provisional Member shall be promptly remitted to the affiliated association.
4. Dues collected from a Provisional Member shall be refunded to that individual if his or her Affiliate membership application is denied.

F. Ascending Dues. An active member or federal services member shall not be required to pay any dues during the calendar year in which the individual earns a Doctor of Optometry degree as defined in Article I, Section 1, Paragraph A.1 of these Bylaws. The dues for each of the first, second, third, and fourth calendar year thereafter shall be equivalent to ten percent (10%), twenty percent (20%), fifty percent (50%), and seventy-five percent (75%), respectively, of the annual dues otherwise applicable. A member shall only be eligible for the above schedule of reduced dues once, no matter how many times the individual may transfer from one membership classification to another membership classification or from one affiliated association to another. A member who works sixteen hours or less per week shall not be eligible under this section, but shall pay dues according to the schedule contained in Paragraph C.2 of this section. For Provisional Members, the annual dues schedule shall begin the calendar year following the year the individual completes the post-graduate program, as set forth in Article I, Section 1, Paragraph C.7.

G. Waived or Reduced Rates. In a case where an affiliated association has waived or reduced its dues requirement for a member because of the member’s economic misfortune or partial or total disability, or as part of a special pilot program endorsed by the Board of Trustees, and requests in writing that such member’s dues to this Association be waived or reduced in similar proportion, the Board of Trustees or the Secretary-Treasurer as the Board’s designee may waive or reduce in like proportion such member’s dues obligation to this Association, and for a similar period of time. In a case where a member holds direct membership in this Association without membership in an affiliated association, the Board of Trustees or the Secretary-Treasurer as the Board’s designee may, in appropriate cases, upon written application of such member, waive or reduce such member’s obligation to this Association because of such member’s economic misfortune or partial or total disability. In an emergency circumstance such as a natural disaster, war, or terrorist attack, or other similar disastrous occurrence, this Association may independently waive any affected member’s dues for up to one year only after consultation with the member’s affiliated association.

H. Proration and Miscellaneous Requirements. All dues categories are subject to proration. Proration shall only be done on a monthly basis based on the date the member joined the Association. No other proration method shall be allowed. Proration shall not be permitted when a member terminates membership and is reinstated to membership in the same calendar year, except that proration shall be permitted if such change is due to a change in membership from one affiliate to another.

Section 3. Termination of or Changes in Membership

A. Any member of this Association who is suspended or expelled from membership in an affiliated association shall, upon receipt by the secretary-treasurer of this Association of notice of such suspension or expulsion duly certified by the secretary of the affiliated association, automatically be terminated until such time as such member may be readmitted to membership in an affiliated association.

B. The Board of Trustees may, in appropriate cases, suspend or expel any member because of the revocation or suspension of the member’s license to practice optometry, the violation of any federal, state, local or other applicable law, rule or regulation relating to the practice of optometry, or the violation of the code of ethics of this Association, as the case may be. In such cases, the Board shall send to such member, by registered mail, a statement of the charges against him, and such member shall have fifteen (15) days after receipt thereof to respond to such charges by mailing a copy of this response, by registered mail, to the secretary-treasurer of this Association. The Board, or a subcommittee of the Board, may thereafter hold a hearing at which such member shall be given reasonable opportunity to present evidence and to be heard in the member’s own defense, and the Board may request other persons to testify at the
hearing. Such member may be suspended or expelled by a vote of two-thirds (2/3) of the full membership of the Board of Trustees.

C. Changes in Membership Classification. Members will be allowed to change classification only once per year. Applications for a change in membership classification submitted between January 1 and April 30 will be retroactive to the beginning of that calendar year. Applications submitted between May 1 and December 31 will be effective January 1 of the following year. No changes in classification will be accepted for prior periods or prior years.

ARTICLE II
HOUSE OF DELEGATES

Section 1. Composition

The House of Delegates shall be composed of delegates representing members of affiliated associations, certain student members, and members of sections. In addition, each distinguished member and each member of the Board of Trustees shall be entitled to be a delegate, ex officio. A distinguished member or a member of the Board of Trustees may also be selected as a delegate or an alternate representing members of affiliated associations, or certain student members. Delegates and alternate delegates shall be members of this Association who have paid the proper amount of dues owed for the Last Quarter (as defined in Article II, Section 11) and all previous financial quarters to this Association by the Credentialing Deadline (as defined in Article II, Section 11).

Section 2. Congresses

A. An annual congress shall be held each year between the 1st of June and the 31st of July, or at such other time as is deemed appropriate, at a specific geographical location approved by the House of Delegates in accordance with procedures established by the Board of Trustees. The exact facility, time and duration of such annual congress shall be designated by the Board of Trustees. Should circumstances arise which would make the designated time and place unavailable or impracticable, the Board may select another time or place for such annual congress and shall give notice of such change to the affiliated associations and to the representatives of the other delegate groups as soon thereafter as reasonably possible.

B. A special congress shall be called by the Board of Trustees upon the written application of twelve (12) or more affiliated associations setting forth the purpose or purposes for which the special congress is being requested. In addition, the Board of Trustees may call a special congress on its own initiative. The Board of Trustees shall determine the time and place for holding a special congress, and written notice thereof shall be given to each affiliated association and to representatives of the other delegate groups no later than thirty (30) days prior to the time selected. The notifications shall specify the purpose or purposes of the special congress, and the business of such special congress shall be limited to such purpose or purposes except as may be otherwise approved by unanimous vote of the House of Delegates at such special congress.

Section 3. Delegates

A. Delegates Representing Affiliated Associations.

1. Each affiliated association shall be entitled to one (1) delegate for each fifty (50) of its members and optometric educator members, except that any student, honorary, associate, or provisional members shall not be counted at all, and any members, except optometric educator members, who pay less than the full time active member dues (not taking into account the reductions in dues permitted under Paragraphs C.8., F and G of Section 2 of Article I of these Bylaws) shall be counted as one-half (1/2) member.

A member shall only be eligible to be counted in the foregoing calculation if the proper amount of dues owed by that member for the Last Quarter (as defined in Article II, Section 11) and all previous financial quarters have been paid and received (not merely postmarked) at this Association by the Credentialing Deadline (as defined in Article II, Section 11). Any member who receives any dues waiver pursuant to the process described in Paragraph G of Section 2 of Article I of these Bylaws shall not be counted for credentialing purposes during the year following the year in which the waiver applied. However, an affiliated association having less than fifty (50) members under the foregoing calculation shall nonetheless be entitled to one (1) regular delegate.

2. The delegate strength of an affiliated association for the annual congress shall be determined from the records of this Association as of the last Business Day of the Last Quarter (as defined in Article II, Section 11).

3. Each affiliated association may also select one (1) alternate delegate for each delegate to which it is entitled under this section.

The president and secretary of each affiliated association, at least fifteen (15) days prior to the first day of the annual congress, shall certify to the secretary-treasurer of this Association the names of the delegates and alternate delegates who shall represent the affiliated association at the congress. The certification shall also state that all attributable quarterly dues of this Association collected by the affiliated association have been remitted to this Association by the Credentialing Deadline (as defined in Article II, Section 11).

B. Delegates Representing Student Members.

1. Student members at each school or college of optometry in the United States, accredited or pre-accredited by the Accreditation Council on Optometric Education as of May 31 of each year, shall be entitled to select one (1) delegate, and the affiliated association representing student members shall be entitled to three (3) delegates selected by such affiliated association.

2. Such student members and the affiliated association representing student members shall be entitled to select one (1) alternate delegate for each delegate to which they are entitled under this section.

C. Delegates Representing Sections.

Each section is permitted one (1) delegate. Each section shall elect from its membership one (1) delegate and one (1) alternate delegate.

D. Delegates at Special Congresses.

Each affiliated association, student members, and sections shall be entitled to the same number of delegates and alternate delegates at a special congress as at the immediately preceding congress. Delegates and alternate delegates at a special congress shall be selected from among those members eligible to serve as delegates or alternate delegates at the immediately preceding annual congress.

Section 4. Credentials Committee

No later than thirty (30) days before each annual congress, the president shall appoint a credentials committee composed of at least three (3) members. The credentials committee shall verify the credentials of all delegates to the congress and report to the congress for the purpose of seating the delegates and their alternates. Any dispute as to the number of delegates to which an affiliate is entitled or as to which delegates or alternate delegates are eligible to serve as delegates or alternate delegates shall be determined
Section 5. Voting and Debates

A.
