

**Accreditation Council on Optometric Education  
Accredited Professional Optometric Degree Programs**

**June 7, 2013**

The Accreditation Council on Optometric Education has awarded the professional optometric degree programs below one of the following classifications:

**Preliminary Approval:** a preaccreditation classification granted to a program that has clearly demonstrated it is developing in accordance with Council standards. The program has approval to begin student recruitment, selection and admissions, and to begin offering the program.

**Accredited:** a classification granted to a program that generally meets the standards for accreditation.

**Accredited with Conditions:** A classification granted to a program with major deficiencies or weaknesses with reference to the standards of accreditation. This classification indicates that the educational effectiveness of the program is in jeopardy. *Currently, no programs are Accredited with Conditions.*
